Students who clock in late from lunch will not have adjustments made to their time, resulting in lost hours or minutes.

Students will receive three courtesy calls, notifying them of waiting guests. After three courtesy calls and no communication with the front desk from the student, the student will be sent home for the rest of the day, resulting in lost hours or minutes.

**December 6, 2024** ..... **Notification of Change in Graduation Date**

If a student does not complete the program by the graduation date outlined in the enrollment contract, a fee will be incurred which is referred to as the "overtime charge."
